MAYOR JERRY P. TREÑAS
City of Iloilo
Land Area: 7,834 hectares
Population: 447,992 (2015 census)
Barangays: 180
Districts: 7

Location: Flood Plain
Topography: Very Flat
Rivers: 2 Rivers, 1 Estuarine

Land Use:
- 58% Residential
- 13% Commercial
- 16% Agriculture, Open Space
- 13% Others
2008 Typhoon Frank
Floods
Infectious and Non-infectious Diseases
Maritime Accidents
1948 Lady Caycay Earthquake
Fire-prone barangays
Water Scarcity
Oil Spill
25 coastal barangays prone to storm surge

- Tax incentives on DRR related investments based on CDRA to include new construction
The Iloilo City Government has installed 26 multi-hazard sensor network in partnership with Taiwan’s National Science and Technology Center for Disaster Reduction.
Another striking story is the use of the Climate and Disaster Risk Assessment maps of the Coastal Cities at Risk project.

Our City Planning and Development Office benefited most from this since they used the Social Vulnerability Index in the updating of the Comprehensive Land Use Plan and as basis in building a resilient human settlement.
The outputs of the Web-Grid project such as the epidemic curve and the case doubling time provided the context for the COVID 19 Team in drawing policies for the LSIs, ROFs and the OFWs and the local transmission cases.
240 Community Kitchens that served 1,903,036 meals from March 21 to June 15, 2020. The second batch started last Sept. 4, and ended last October 30, providing 313,383 meals for the Ilonggos.
Last April, SM donated ICU-grade ventilator for Western Visayas Medical Center to help COVID-19 patients,

while Ayala Company Energy Philippines Inc. donated one RNA Extraction Machines for swab testing, viral NA kits, and IMI Ventilator set to provide safe, efficient, results.
ILONGGO PANDESAL

1.7M pieces of pandesal

• Participated by 19 bakeries & milling firms
• Delivered daily to all 180 barangays
• Operated from April 7 – May
Ilonggo businessmen also donated 5.5M-worth of Test Kits, while ordinary citizens donated cloth and volunteered for PPE and face mask production.
7 new medical doctors
49 new nurses

Launched Nov. 14, 2020

COVID Molecular Lab
The Philippine Chamber of Commerce and Industry Inc. – Iloilo Chapter continues to work with the Iloilo City Government in creating linkages for businesses and ways to adapt and thrive in the current business conditions, and programs that will help Ilonggo business owners come up with continuity plans to be able to survive and rebuild after COVID-19.
to adapt and thrive in the current business conditions

Ease of doing business in Iloilo City
It is only when the LGU and the private sector work harmoniously together that we can maximize our potentials in creating progressive, safe, healthy, and sustainable communities.
