UNDP global presence in over 170 countries and territories

Source: UNDP Transparency Portal
Six Main Focus Areas in support of 17 SDGs

- Poverty and Inequality
- Governance
- Resilience and Recovery
- Environment
- Energy
- Gender Equality
The 2023/24 Human Development Report assesses the dangerous gridlock resulting from uneven development progress, intensifying inequality, and escalating political polarization, that we must urgently tackle.

The report emphasizes how global interdependence is being reconfigured and proposes a path forward where multilateralism plays a pivotal role.
Hamburg Sustainability Conference 2024

The program of the Hamburg Sustainability Conference is composed of 3 forums containing 60+ events.

The HSC is organized by the German government, mainly BMZ, in close cooperation with UNDP, the private German Otto Foundation and the City of Hamburg.

Forum 1  Forum 2  Forum 3

**Reshaping International Financial Architecture**  
How can the global financial system improve frameworks and policies to provide all countries with resources and resilience for a sustainable future?

**Unleashing Investments for SDGs**  
How can the private sector be activated to co-create actionable policies and identify attractive investment opportunities that help achieve the 2030 Agenda?

**Leveraging Transformation**  
Which problems need to be solved first to achieve the greatest impact on several SDGs? Which solutions are ready to be scaled immediately? And who needs to act now and how to lever a just transformation?

**Includes 5 hubs that focus on different key SDGs every year.**

**Hub 1** Resilient Food Systems

**Hub 2** Green Energy & Net Zero

**Hub 3** Empowering Societies

**Hub 4** Responsible AI & Digitalization

**Hub 5** Future Cities
